Please find an order blank for requesting Kansas tax forms on the back of this notice. The amount you pay for forms and instructions will be used to print, distribute and process the paper when the returns are filed – a cost that is 5 times more than that of electronically filed returns.

As always, KDOR's primary goal is to produce less paper and promote our electronic filing and payment services. Using an electronic method is the most cost-effective way of getting returns into our tax system. For more information about our electronic services, visit our web site at: **webtax.org**
